

BOW 2017-2018 Great Adventure Bible Timeline Old Testament

Join us for an amazing adventure through the Bible and discover our salvation history.

What: *The Bible Timeline* is a fascinating study that takes you on a journey through the entire Bible. You will go deep into each period of salvation history and discover the amazing story woven throughout all of Scripture. Using the unique color-coded *Bible Timeline*; you will learn the major people, places, and events of the Bible and see how together they form the foundation of our Catholic faith. More importantly, you will have a profound encounter with God in Scripture, and see how the Bible reveals His loving plan for your life. Once you understand the “big picture” of God’s plan of salvation—and where the various biblical characters fit in this overall story—you develop a new appreciation for the Scripture. Your understanding of the Scripture readings at Mass will truly come alive.

The study will include a series of twenty-four videos presented by Jeff Cavins. This year we will delve into the Old Testament beginning with Genesis and ending with the Exile. Next year we will focus on the New Testament. Each video will be preceded by a lively group discussion. With each study, there is corresponding scripture reading. You don’t have to do the additional reading to attend the study, but it is highly recommended to get the most out of the study.
