- **Meetings:**

- Periodically we will have a casual class “chill with the pastor” during their normal class times and day. This will give the pastor to speak to our teens and get to know them as they get to know him. This will be an opportunity for them to ask the pastor questions as well. We may ask parents to come and help at this event but we ask parents to allow this to be a time for the teens and to request an appointment for any questions/concerns for the pastor.
- Parent Meeting: Parent meetings are mandatory, if a parent cannot make it, please send someone to represent you and can take notes for you.
