- **Evaluating Progress**
 - Catechist: will evaluate during class sessions and consult director
 - Director: will be visiting classes and evaluating through discussions, and questions
 - Pastor: will evaluate through classroom visits, discussions, questions and during the “Chill with the pastor” events.
 - Any teen found to need more time to prepare for the sacrament of confirmation may be asked to complete an additional “catch up” year after discussion with parent, director, and pastor.

- **Meetings:**
 - Periodically we will have a casual class “chill with the pastor” during their normal class times and day. This will give the pastor to speak to our teens and get to know them as they get to know him. This will be

an opportunity for them to ask the pastor questions as well. We may ask parents to come and help at this event but we ask parents to allow this to be a time for the teens and to request an appointment for any questions/concerns for the pastor.

- Parents will be expected to assist mandatory meetings where attendance will be recorded. Assisting these meetings will ensure that parents are given all required info and give them an opportunity to ask questions.
